

# Men's & Women's Recovery Ministry Breakfast

*Third Saturday Morning (March-June)*

*Martha Washington Building*

*1115 SW 11th Ave, Portland*

*8:30am-10:30am*

*Thousands in our community struggle with addictions, abuse, and shame. Even more their family and friends feel guilty and powerless to help. If Jesus' church is called to heal and develop relationships with all people, how can we embrace Recovery Ministries as an arm of the Body of Christ? These breakfasts are designed to encourage those doing recovery ministry, those in support groups, and churches to network, discuss, and develop stronger ministries to those in our community.*

*Shall I come and heal him? Matthew 8:7*
